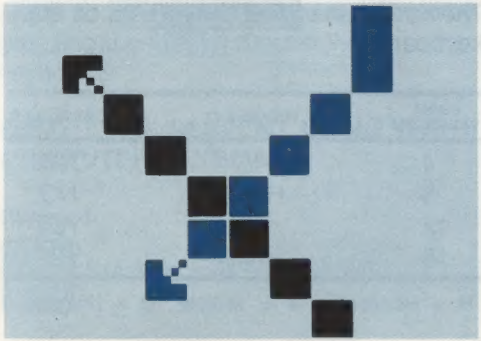
DIAGONAL MOVEMENT

In game variations that allow diagonal movement, you can cross a diagonal trail when moving diagonally yourself. However, the intersection must be between links, like this:



SCORING

When a trail collides and is eliminated, all other surviving trails are awarded one point. If two trails collide simultaneously, both are eliminated and neither receives a point. Any other surviving trails receive one point. Points are accumulated throughout the number of rounds set at the beginning of the game (up to 99). Points are displayed along the bottom of the screen, in the color of the trails.

MUSIC

You will hear music only if you are using the Mini Expander. The computer music lets you know that the current round of play has reached the "showdown" stage
